This also includes: 1) any item not specifically listed on a previous Agenda but discussed at a previous board meeting or 2) any item on tonight's Agenda not labeled as a public hearing. Items requiring a public hearing are generally so noted on the Agenda and public input will be taken when the item is considered.
- VII. P&Z Public Participation Process:

City staff and the applicant, or the agent for the applicant, will make their presentations first, followed by questions from the Planning and Zoning Board members. After the presentations from staff and the applicant, the Chairman will open the public hearing portion of the meeting to allow interested parties to speak for or against the item being considered. The public is instructed to keep their presentation factual, not be redundant, and to direct all comments to the Board, not to the applicant or to staff. From time to time, it may become necessary for the Chairman to limit the time that speakers may have. If a time limit is to be imposed, it will be announced at the time that the Public Hearing is opened. If a speaker wishes to be heard for the record but does not have any new information regarding the item being considered, the speaker shall give his/her name and address for the record and state that they agree with the presentation made by a previous speaker, giving the specific name of the person.
