

ARE YOU READY FOR SUNRAIL?

HOW WILL YOUR EMPLOYEES GET TO AND FROM THE LAKE MARY STATION STOP?

New Vanpool grant offered by City of Lake Mary!

The City of Lake Mary's VanPool Grant is a pilot program designed to help facilitate the movement of commuters to and from the Lake Mary SunRail Station Stop located at 2200 W. Lake Mary Boulevard. The program provides a matching grant subsidy to help offset the monthly lease cost associated with the LYNX Agency VanPool Program.

Qualifications

An Agency (i.e., business) must be within the City of Lake Mary, and provide a connection to the Lake Mary Station Stop.

Funding Level

The Lake Mary VanPool Grant provides lease/rent assistance on behalf of qualifying employers up to one-half of the monthly lease payment for an Agency Van. The funding is provided for up to twelve (12) consecutive months. The maximum total subsidy per business is \$4,140.

How the Agency VanPool works

An organization or business leases a van from LYNX® to provide transportation to employees or clients

Riding SunRail and participating in the VanPool will:

Give transportation options to your employees

Provide door-to-door service

Help reduce traffic on area streets

Be an added benefit in your recruiting efforts
